Dear Mrs. Walker:

Mr. James A. Baker III, has written to our Director about the President's Commission on Executive Exchange.

Last year, as you remember, we were not able to identify an executive who was interested in us and who met our particular needs. However, I would appreciate your sending me the names and appropriate background material on any new candidates who have indicated an interest in being associated with the Central Intelligence Agency. If you wish to discuss our participation further, please get in touch with me on
